kung napapansin nyo bakit yung mga tv station puro remake na lang ang ginagawa at yung mga pangalan ng teleserye pinag halo pa. tulad nito. annalisa floordeluna ngayon. floordelisa

• [Lelouch Barsaga Shahid](#) yan ang mali sa Kapuso at Kapamilya ehh. Nag stick na lang sila sa isang genre and lahat ng part ng isang teleserye ay puro recycle.. Magmula sa story, sa title at sa OST nito.. Kaya nakakaumay manuod sa Gabi.. Much better pa sa ibang channels like ETC, 2nd Avenue, S+A or sa TV5

[March 31 at 6:08pm](#) · [Like](#) · [2](#)

• [Lelouch Barsaga Shahid](#) haish.. Oo nga.. Kitams.. Recycles story.. Bat di nila gayahin ang Korea, Japan at America.. Napakagaling gumawa ng story. Di lang sila sa isang genre nag stick dahil di lang naman iisang part ng audience ang target nila..

• [Lelouch Barsaga Shahid](#) but our point is.. Bakit kailangan mag recycle ng story.. Puro tungkol na lang sa landian, agawan ng asawa, magkapatid na magkaaway, pinagmamalupitang kamag anak.. Lahat na lang eh.. Mabuti pa yung Juan Dela Cruz dati ehh..

Eddie Estrada Torrente Every TV Station had tried to cut costs. Juan de la Cruz per se, is costly sans SFX. Try to look at it in the long run, no network wars. Even the Sunday variety program of GMA had cut off some of their artists and shortened their time slot.

Enteng Aquino ang pinagkaiba lang ndi na inaabot ng taon tulad ng mara clara ni judy ann at gladys yung hinanap yung diary nasa taas lang nang ref 6 na taon ndi nakita. tapos hawak na yung diary bigla may tatawag. ndi pa nabuksan yung diary..

Meanwhile, Black Saturday is all about bolstering one's faith through the following shows:

"Documentary on the Philippine Papal Visit" (9AM); "Superbook" (10:30AM); "Oh My G" marathon (12NN); "MMK" (6PM); "Way Back Home" (7:30PM); "It Takes A Man and a Woman" (9:30PM); and

an “Easter Vigil (Healing Eucharist)” (11:30PM). O Shopping will still air during the Holy Week at 12MN.

ABS-CBN's noontime program “It's Showtime,” meanwhile, also brings inspiration by presenting the life stories of its most notable contestants, featuring their struggles and journey to fulfilling their dreams. Hosts Vice Ganda, Billy Crawford, Anne Curtis, Vhong Navarro, and Karylle will portray “Stars on 45” champion Ricardo Marcial, “I Am PoGay” grand winner John Raspado, and “Pinasikat” contestants Anna Marie Garbo, Ricardo Cadavero, and Beverlyn Renoria in the special Lenten episodes from Monday to Wednesday (March 30 to April 1).

Ang Aksyon TV naman ay 24 hours pa ring nag-broadcast nung semana santa ng 2012, pati yata 2013. 'Di ako sigurado noong 2014 at noong 2011.

[#PhITV](#) Opinion:

Holy Week on Philippine TV - A Perspective View

Holy Week - an important event that all Christians from around the world, in which they commemorate the passion, death, and resurrection of our Lord Jesus Christ. This week marks with the rich traditions and liturgy that every Christians (majority are the Roman Catholics) are involved to participate and reflect on the salvific works of Jesus for the sinners and for those who believe on His Presence as the Son of God. Here in the Philippines, Filipinos are aware on this one-week celebration with an utmost humility and sacrifice for the benefit of a meaningful celebration for all the Christians.

On Philippine TV, it is a tradition of every networks to have their sign-offs at midnight of Maundy Thursday (others at 1 AM or other preferred time of the same day, depending on their regular broadcasting hour schedule) in order to have their employees' vacation break and annual maintenance of their broadcasting facilities (studios, transmitters, etc.). But during 1980's, only one TV station remained on-air for a purpose. RPN 9 (now CNN Philippines ch. 9) became a forerunner of special programmings for Holy Week, mostly produced by the Catholic ministries like 'Sharing in the City' (managed by Dr. Luz Espiritu at supervised by Fr. Sonny Ramirez, OP with coordination of the Dominican Province of the Philippines), 'Shalom Charismatic Ministry' (Fr. Archie Guiriba, OFM), and 'ABC Productions' (by the late Bro. Melvin Canlas) - who pioneered the longest annual special program 'The Seven Last Words' since 1987, and up to now this program continues to air for more than 20 years.

In 1990's, other TV networks also followed this trend with no competition. They also prepared their Holy Week special programming for the benefit of the faithful. IBC 13 had their programs together with EL SHADDAI - Prayer Partners Fellowship International Catholic Charismatic Renewal's Holy Week celebrations which includes their Easter Vigil overnight event. ABS-CBN ch. 2 and GMA 7 had also their special programming on these days (yet they have more sign-offs on these decade). Other TV channels like Citynet 27 (owned by GMA 7, now used for DTTB test broadcast) and RMN's channel 31 (now BEAM 31) also joined the bandwagon for spiritual propagation - showcasing the

movies like 'Jesus of Nazareth' and 'The Life of Christ' (produced by the Family Rosary Crusade's Family Theater of the late Fr. Patrick Peyton).

Late 1990's until 2000's also gave opportunity to other networks to offer spiritual programs for Holy Week. Studio 23 (now ABS-CBN Sports+Action ch. 23) and ZOE TV 11 (now on Light Network ch. 33) featured special movies for the faithful about the story of Jesus and His sacrifices and death on the Cross. Other channels owned by other religious denominations remained on-air for obvious reasons.

Time may pass, yet the symbolic sacrifices of every TV networks to commemorate the Passion, Death, and Resurrection of Jesus Christ brings us the true meaning of Holy Week in the Philippines. No matter if they sign-off on the three days of Holy Week or to have special programming on-air, the essence of reflecting the Great Mystery of Christ is a purpose towards our transformation from our old to the new life that we should attain.

Yet, the importance of airing special programs for Holy Week should be in the light of the Paschal Mystery of Christ - that will be wholesome for all, even kids and adults. Still other Filipinos want to prefer all TV networks to go off-air, so that they may concentrate on joining to the religious activities at their nearby Parish Church; since this is traditional. Yet, as I say, time may pass. Every TV networks may have their option to go off the air or to sacrifice their broadcast to showcase religious shows and movies with lessons for the benefit of the faithful.

As the Paschal Triduum draws near, let us think and reflect on how a TV network has doing its best to showcase mainstream programming this Holy Week. Most of all, I would also like to recommend to all Catholic TV networks to showcase Liturgical Ceremonies in order to understand the Filipinos on the beauty of the Holy Week celebrations in the Church. The great sacrifice of every TV networks in order to offer their time and days is the benefit of the greatest love that Jesus Christ offered to all of us.

Have a blessed and meaningful Holy Week to all of us!

Ralph Domingo It can be recalled na kumalas ang Colgate-Palmolive from ABS-CBN to GMA back in 2009 dahil sa hindi pagkakaintindihan regarding ad rates. Pero bumalik sila sa ABS dahil daw sa mga bumababang sales ng mga produkto nila. Kaya napunta sa ABS ang CP dahil may advantage umano ang Channel 2 sa mga upper at middle class, habang malakas lang sa 'masa' ang GMA.

Stunning and Interesting Facts that you didn't know. with [Angelika Torrevillas](#) and [3 others](#)

WHY COLGATE-PALMOLIVE IS EXCLUSIVELY SEEN ON ABS-CBN

It's quite a shock that after almost a year of dispute, COLGATE-PALMOLIVE Phils. Inc. went back to ABS-CBN for its advertising services in 2010. It can be remembered in 2009 that because of ad rates disagreement with ABS-CBN, COLGATE-PALMOLIVE Inc. pulled out all their TV advertisements estimated to cost around P400 million from ABS-CBN.

Accordingly the multi-national toothpaste and shampoo producer demanded the media giant to slash off its ad rates by half as a reward for its loyal subscription. But the idea was rejected by the TV Network considering that the company is strictly following the 18-minute rule advocated by the KBP. The media titan also argued that the proposal will be unfair for other loyal (but not exclusive) advertisers which may cause turmoil in the advertising market.

But this raged the multi-national shampoo and toothpaste producer, as they cancelled all their subscription schedules with ABS-CBN and find refuge in its main rival GMA Network. Since then all product brands produced by Palmolive-Colgate were exclusively seen on GMA and Q (now GMA News TV).

But in 2010 Palmolive and Colgate product brands were once again spotted in ABS-CBN's commercial period indicating a renewal of partnership between the two business firms. The reason for this was the rumored wilting sales of Colgate and Palmolive brands which affected the financial condition the company. Accordingly the illogical strategic shift in advertising is the main cause of the down turn in sales.

But the question is, why does Colgate-Palmolive advertise exclusively on ABS-CBN?

Based from AGB Nielsen, ABS-CBN has the advantage in all economic classes from A to E especially in the upper economic classes, while GMA Network holds a significant margin in the Class E market which unfortunately has a lesser purchasing power. However the target market of Colgate-Palmolive are on classes C and D and since GMA Network is behind in these markets the volume of sales weakened. Realizing the mistake in its marketing strategy Colgate-Palmolive redirected its ad subscription back to ABS-CBN. However it was not certain if the subscription will once again be exclusive or it will be an open agreement with all existing TV Outfits, just like leading competitors Unilever and Procter & Gamble.

- The Pooch (Senior Admin I) - @StunningFactsPH

P.S.: In 1966, when the Philippine TV turned from black-and-white to color, Colgate-Palmolive was the first to advertise in color. Procter & Gamble meanwhile was the first company to air its first local TV ad in 1960.

At isa pa pong Trivia: Hindi nagte-Telecast ang EL Shaddai sa IBC 13 kapag hindi si Bro.Mike ang magsasalita o nagsasalita. Ito rin po aking na-observe ko sa mga playback ng Fellowship na ito tuwing 12mn ng Sunday at 7am ng Saturday sa IBC 13. kapag nasa ibang bansa si Bro.Mike, ang video playback ng pinuntahan niyang bansa ang ipinapalabas sa IBC 13.

Phl TV DTT Update:

Opinyon - Usap-usapan ngayon sa social media ang pay-per-view ng ABS-CBN TV+ ng laban ni Manny Pacquiao sa May 3.

[#PPV](#) ng [#PacquiaoMayweatherFight](#) sa [#MBB](#)? What a monopoly! Hindi pupuwede ang PPV sa DTT dahil FTA ang target nito.

Quoted from Mr. James Rodney Santiago on the article link 'History of ISDB-T' at the website of DTV Pilipinas (www.dtvpilipinas.org):

'He also is firm on the issues of encryption in the ISDB-T standard, saying that the Implementing Rules and Regulations will not include or discuss any form of conditional access that would promote exclusivity among the networks.

"No, the IRR that will be released will not discuss or include any topic about conditional access so it will be open. We do not want to prevent, let's say you have box letter A prevents the reception of signal B, so it must be open, that is 100 percent sure, no CA on the initial MC or IRR. If there will be CA then it will be subject to further discussion, a lengthy discussion a year or two, the least. ", Engr. Santiago stressed, adding that there is no such thing as a "Pay-to-Watch" model for digital terrestrial TV, which traditionally is Free-to-Air.'

GMA Network

GMA Network's Official Statement on Regional Stations

The strategic streamlining being undertaken by the Network is geared towards increasing ratings and revenues of all of its regional stations from more efficient operations.

We are not closing down any regional station. Pending completion of the study and recommendation of the Regional TV Review Committee, all the existing regional stations other than Cebu, Iloilo, Davao and Dagupan will be continued as satellite selling stations.

Though some regional programs in the morning and afternoon were cancelled, the afternoon news programs of Cebu, Iloilo, Davao and Dagupan remain and will be further strengthened.

As mentioned in our earlier statement, all affected personnel will be offered severance packages.

This undertaking is not connected to the impending talks with Mr. Ramon S. Ang.

[Gregory Maximinian](#) Agreed.

For example, increase of work force (employment) at TV networks to enhance better broadcasting activities.

April 28 at 6:37am · [Like](#) · 1

[James Bardos](#) That might work and sometimes not. People (workers) are not just after the wages that they are receiving, but also the environment which contributes a very big factor in their life. We cannot also guarantee that a company will perform better if they have too many employees because several issues will arise especially related to their work. A company can maximize their resources by having a right number of employees, as well that company can give competitive results. My friends in the media industry that are came from huge networks have move to a smaller media company because they are happy in their work there compared from their previous one despite the salary that they are receiving is much lower than they previous one. Nowadays, traditional TV and radio broadcasting are seems to decline. Many Pinoys nowadays are no longer watch TV or listening to an AM radio and this affects the survival of the TV and radio industry. There are many avenues for media which not just limited to TV and radio field that they need to discover.

CEBU TV TRIVIA: Before "Balitang Bisdak," GMA Cebu (DYSS-TV) already had a Cebuano newscast called "Mga Balita sa Kilum-Kilum," and that was during the early to mid-1980's.

NOTE: This is not a hoax. I saw that old Cebuano newscast in the 1982-85 Cebu TV guides of Sun.Star Cebu.

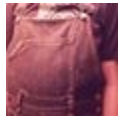

But sad to say, the people at GMA Cebu, including the security guards there, forgot about that newscast already when I asked them while I was sending my entries for GMA's "Kapuso Milyonaryo" promo last December.

TRIVIA: Sining Makulay was a cable TV operator which was owned and operated by Ambassador Roberto S. Benedicto, which we already know that he is a Marcos crony (obviously), during the martial law era until 1986. At that time, cable television was known by its technical name—community antenna television or CATV. Benedicto operated his business from the old Radio Mindanao Network-Intercontinental Broadcasting Corporation studio facilities in Little Baguio in San Juan, Metropolitan Manila. The subscription fee was very expensive, and the service was available only to the plush subdivisions in Metropolitan Manila. Sining Makulay, Inc. stopped operations after the 1986 EDSA People Power Revolution re-defined the business environment in the country.

The Reason why TV5 has Marvel Cartoons?? The Answer...

Tapos na ang kontrata ng ABS-CBN at Marvel para sa exclusive rights ng lahat ng Marvel Cartoon at Marvel Anime,. Kaya kinuha ito ng TV5... Kahit ang YEY! Na channel sa ABS-CBN TVplus ay di na rin nagpapalabas ng mga Marvel Cartoons..

So arang test broadcast muna sila sa analog then afterwards, sa digital. Tulad ng GMA 27, analog muna tapos nag digital after last year Holy Week.

Lelouch Barsaga Shahid Hatak ang Ratings ng TV5 sa mga Sports, Comedy, Game shows Reality Shows at Anime.. Yan ay base sa observation ko since noong ni-launch ang TV5 noong 2008 until now..

May 6 at 9:56am · [Like](#)

Lelouch Barsaga Shahid Sana naman yung isang sub channel ng TV5 ay Para sa Cartoons at Anime.. Since hawak na ng TV5 ang airing rights sa mga selected Disney Cartoons, Marvel Cartoons/Anime and Anime shows like SAO and Fushigi Yuugi...

May 6 at 9:57am · [Like](#)

James Bardos If TV5 will become successful in Youth-Oriented programs, just like before that they had a deal with Nickelodeon, then they can add that on their new channel.

James Bardos Pero mas hatak ang anime ng GMA sa umaga.

May 6 at 10:09am · Like · 1

Lelouch Barsaga Shahid wala eh. Di nila ni-extend ang kontrata sa Nickelodeon kaya pinirata ng ABS-CBN... Yung CN Block naman sa Una lang naging successful but in the past months or years, lumagpak din ito sa ratings.. And since tapos na ang kontrata ng CN at TV5 ay Binalik nila ang ANiMEGA and 2 CN Shows lang ang na retain which is PPG and Ben10 sa weekends...

May 6 at 10:13am · Like

Lelouch Barsaga Shahid @James: Yup.. True.. Kaya nilipat ng TV5 Ang ANiMEGA block sa Weekday Afternoon Slot para makaiwas sa kompetisyon.. Since pareho ang pinagkukuhanan ng Anime ng TV5 at GMA which is Telesuccess.. (Partner of PLDT, Cignal and TV5)

Lelouch Barsaga Shahid @Rina: Maybe Yes and Maybe No.. May Channel na ang Telesuccess sa Cable which is TeleAsia and isa pa.. Di Focus ng TV5 sa ngayon ang Koreanovela unlike the 2 Other Networks... Pero possible pa rin ang YouthChannel na puro Cartoons at Anime lang ang laman unlike sa YEY! (sub channel of ABS-CBNTVplus) na may mga Fantaserye at 4 na Anime lang ang Pinalalabas every Weekdays..

May 6 at 10:20am · [Like](#)

James Bardos Another strategy, they need also to show kids program tulad ng Cedie, et al. Na hindi rin itinuloy ng ABS-CBN, even sa Yey! wala rin. Sana ibalik nila yung humawak ng youth-oriented programs. Pati yung ipinoduce namin, di na rin tinuloy tulad ng Fish at Mustard TV.

May 6 at 10:22am · [Like](#)

Lelouch Barsaga Shahid @James: nasa ABS-CBN na ang Airing Rights ng Sailormoon Series eh kaya malabo na iyan... Pero may naaamoy ako.. Sa 2016.. Mas malaki pa ang pasabog ng ANiMEGA... Yung Ginagawa ngayon ng TV5 Fanpage nila.. Ginagather nila lahat ng request ng mga viewers then gagawa nila ng possibility na maipalabas iyun... Yan ang nakikitang tactic move nila..

IBC-13 Cebu TV Schedule for Thursday, November 25, 1982:

12:00 NN - PBA Games: YCO-Tanduay vs. Galerie

2:00 PM - Sesame Street

3:00 PM - Johnny Swaggart

3:30 PM - Sine Pinoy: Susan Kelly

5:30 PM - The Electric Company

6:30 PM - News Day

8:45 PM - See-Through
10:15 PM - PBA Games: N-Rich vs. Gilbey

Source: Entertainment Section, Sun.Star Daily (November 25, 1982)

NOTE/S:

1. We know that in 1982, PBA was already airing on City 2 (BBC-2). But "PBA" has been mentioned in this November 25, 1982 TV schedule for IBC-13 either because City 2 is probably sharing airtime with IBC in order for the latter to make continuous presence in Cebu (after they got out of ch. 3 in favor of GTV, later MBS), or IBC Cebu might be airing those from City 2 in Manila.

Yung GNTV, sa Manila lang sila VHF at rest, UHF, acquired from the defunct Citynet TV. Wala silang programs na attractive sa mga sponsors tulad ng Eat Bulaga, Drama sa gabi at yung comedy shows tulad ng Bubble Gang at Pepito Manaloto. On August 27, 1995 seen another new UHF channel via DWDB-TV channel 27. It was the first UHF television station operated by a major broadcast network. GMA officially launches its new channel under the Citynet Television brand and decided to expand its programming business via UHF. While incorporating the standard red, green and blue colors with some extra color in grey, Citynet Television logo differs from the traditional GMA insignia. It uses in oblique oblong circles in an abstraction of three-rings to indicate richness in color.

It was simplified in keeping with the symbol's pared-down design. Underneath its oblique rings, a rectangular box embossing the text "citynet" in lower case and uses a San Serif font beneath it is the text "TELEVISION" in upper case and also uses the same San Serif typescript. But when displaying channel logo while programming, it was written CITYNET 27.

The goal of GMA Network for making the very first TV network-owned UHF station is to transfer all of its American programming to have broadcast time space for the GMA local TV shows. Transmitting on a 30,000-watt power capacity with an effective radiated power of up to 60,000 watts, Citynet's telecast on channel 27 covers the Metro Manila Area and its neighboring provinces in Bulacan, Laguna, and Cavite. This station branding was known to have dubbed the first and only Philippine-dubbed Hispanic telenovela in English, entitled Ka Ina (until May 28, 2009 when Amanda O is debuted on Q in English dubbed telenovela), and Citynet Television News.

PTV 11 aired its program "Kalamboan Dala Tanan" every 10am from Mondays to Fridays. The 10am

slot was previously occupied by the former programs of Congressman Nograles such as "Kongreso sa Barangay", "Kuro-kurong Kabataan" and "Oplan Kalamboan sa Barangay".

But anyways, another FYI: some shows produced by Congressman Nograles were previously aired over SBN 7 (Kongreso sa Barangay, Kuro-Kurong Kabataan, Oplan Kalamboan sa Barangay, Kalamboan Dala Tanan) and RPN 9 (Kalamboan Dala Tanan). They also air infomercials about Congressman Nograles' accomplishments (Tatak K) and testimonies about the scholars/individuals who applied and hired on-the-spot in their jobs fair held in the barangays of Davao City (Naa Ko'y K). James Bardos GMA mentioned that they will convert their VHF stations from analog to digital. They didn't mention if they will use VHF or they will shift to UHF for digital broadcast. If they will insist to use VHF, there will be a problem because set-top boxes like TV Plus can receive only UHF signals. Another thing, they will producing dongles instead of STBs, so it means, they will compete ABS-CBN by adding their own exclusive channels? Does their dongles will become compatible in most TV sets?

About Band III, Channel 13 is now a part of the UHF frequency yet this is not a part of the approved frequency for DTT.

James Bardos Yes, they upgraded their channel 7 and 11 transmitter as well their combo antenna system. Channel 13 is in UHF in Japan but is in VHF in countries which adopted the American NTSC system. Band III is within 174 to 230 MHz while UHF is Band IV and V. (470 to 890 MHz)

Eddie Estrada Torrente The use of dongles are for newer tvs with USB. How about for Japanese Surplus TV which is not fully equipped with USB, The proliferation of these surplus TV in Metro Manila for the past years was one of the factor why GMA7 always leads in the rating game in the Metro Manila area. These TVs cannot received channels lower than 7 without alterations.

Eddie Estrada Torrente I think this one of the reasons they were dilly-dallying on the ISDB-T project. Of the major channels, they were the last to go on test. ABS started with DVB long time ago but shifted to ISDB-T when the INC channels and PTV-4 began their successful testing then the government acted on it. Channel 5 follows long before the Implementing Rules and Regulations came out.

Drama and feature shows on news channel? New shows like 'Turbo Zone', 'Touchdown' and this, entitled 'Alice Bungisngis ' are part of their new strategies to boost GMA earnings and ratings.

Paolo Sevilla Para sa akin, ang tunay na news channel ay yung may oras-oras na update at maraming interview shows ng mga government officials, etc. AND NEWS TV FAILS ON THESE CRITERIA! Hindi naman oras-oras ang "News TV Live" (try to watch during weekends from 6:00pm-8:00pm. Mapalad ka na kung makakatiyempo ka ng ISANG [from supposedly THREE] news update.) Isa lang ang maituturing na interview show ("Bawal ang Pasaway"; "Tonight with Arnold Clavio" seems to be more like showbiz-oriented talk show). And lastly, ironically, walang show sina Mel Tiangco at Mike Enriquez sa GNTV, samantalang itinuturing silang mga haligi ng GMA News.

Ay naku, even after the launch of CNN Philippines, ANC still grabbing CNN sources just because of cutting costs of revenues to make even more overrated teleseryes and it could reduce their own credibility when it come to the news division.

If they can't stand it, they should merge into one channel!

BATTLE OF THE BRAINS, the Philippines' longest running TV quiz show in a non-variety format. It was started in 1991 which airs every Saturday on RPN 9 and the show lasts for 1 1/2 hours. It was hosted by David Celtran, but sometimes it was hosted also by Chiqui Roa-Puno, Cathy Santillan and Anthony Suntay. The show features different contestants from elementary, high school and even college levels, and the questions thrown were actually coming from the different subjects studied in schools and not just the general ones (unlike in Eat Bulaga's 'Pinoy Henyo'). The show was moved from RPN 9 to PTV 4 and the show ceased in 2001.

May mga kinoconsider kasi si Korina bago siya bumalik. Isa na dun yung hinihintay nya kung tatakbo ba si Mar sa paka-Presidente next year. Kung tumakbo si Mar, isasacrifice ni Korina ang pagiging main anchor nya sa TV Patrol para hindi magkaroon ng conflict of interest dahil sa pagtakbo ni Mar sa eleksyon.

What makes the late 80's Saturday nights complete without Mc Guyver? This weekly series shown on RPN 9 is one of the most watched programs on TV because of the skills that Mc Guyver shows. As formerly served in the US Army, Mc Guyver, an expert in bomb detonation made the audience amazed and in fact, bomb detonation scene is mostly seen as a climatic part in the program. Mc Guyver also amazed the viewers by showing also his ability to escape from difficult obstacles, very innovative in making some improvised objects in order to accomplish the mission, as well some live-saving acts. His name was famous alias to those men who are very innovative, good solution provider and to the best life-saver.

Joseph Emmanuel Jacinto It's interesting to know that MBS 4, in the mid-1980's, showed "Good Morning, Manila." I think it was MBS 4 who pioneered the morning show format, yet it (the format) was still snubbed by the other networks until when ABS-CBN launched "Magandang Umaga Po" in 1986, upon the latter's comeback on the screen, thus, causing other networks to copy its format.

Post Analysis:

Happy Truck ng Bayan - Pagdating sa mga game segments, nakakatuwa siya parang EB lang siya.. Sing and Dance Presentation, 4 out of 5 Star.. Pero mas naengganyo ako sa segment nila Janno at Ogie na "Sobrang OJ".. Prizes, ok na rin.. At least walang uuwing luhaan. Overall results. It was a good show.. Matutuwa ka na, mananalo ka pa..

Hilary Isaac's statement regarding her resignation.

[Hilary Isaac](#)

To make it clear, I have decided not to renew my contract with CNN PH. I've been mulling it over for months but finally pushed through with it when I spoke with HR on Thursday. A certain tabloid blog claiming to have a source in the network is alleging that the network decided to drop me. This is false and an utter lie. I myself told Pal Marquez yesterday that I felt it was time for me to move on. Despite their offer for me to renew my contract and their plan to put me on a new weekend show/newscast, I no longer wanted to stay in the network. I have other things planned and am finally going through with them. I was not, at any time, let go, fired, or dropped for any reason and I have performed my job in the most professional and excellent way I could, as my many followers would feed back to me. I was under a talent contract and not a regular employee and therefore, always had the option to not renew at the end of each contract. I love the industry I'm in and look forward to continuing whether here or abroad.

Mukhang nag Focus sila Ngayon sa Social online ang mga TV networks :

ABS-CBN- more shows and concerts produced (even abs-cbn archive programs) via iwanttv at abs-cbn mobile

TV5- more focus on social media to produce more shows like kontrabando,tanods, blooms, jinrirelationship and more.

GMA- beta web show "to the top" launched.

Take note, bukod pa dyan ang mga international bureaus nila sa ibang bansa. That's one of the big advantage of ABS-CBN News over GMA News in terms of news gathering.

June 24, 2015 4:06pm

The termination of negotiations between GMA Network Inc. and businessman Ramon S. Ang for a minority stake in the company has effectively left the media giant open for other business collaboration.

Globe Telecom Inc., which continues to engage television giant GMA Network Inc. in discussions for a potential content collaboration, is open for such a collaboration.

"As part of Globe's normal business operations, the company is open to discuss other potential forms of business collaboration with various parties including GMA," Investor Relations Director Jose Mari Fajardo told the Philippine Stock Exchange on Wednesday.

GMA Network Chairman and CEO Felipe L. Gozon on Tuesday updated employees of the network, saying the negotiations with Ramon S. Ang for the minority stake of the media company will no longer proceed.

Guess who this pitchman that always shouting when he endorses infomercial products.

"HI _____ HERE!"

"BUT WAIT THERE'S MORE!"

"BUT I'M NOT DONE YET."

"IT HAS THE STRENGTH TO PULL THIS FULLY LOADED 80,000 TRACTOR TRAILER!"

Note that his infomercials probably aired on RPN 9 before.

He died few days after the death of the King of Pop and he succeed to his British friend to continue pitching his products.
